

Space2 Board Recruitment Process

Hello! Thank you for your interest in joining the Space2 Board.

We thought it would be useful to share the process we have planned with you, so that you know what is happening and when. We look forward to meeting you.

1. The advertisement will be publicised on our website and social media. Our existing Board members will also share it across their networks.
2. The advert will include a link to our website, where you can find out more about becoming a Board member. You will need to complete a short Expression of Interest form. This is so we can find out some more about you and why you would like to get involved. You can complete the form, but if you would rather answer the questions in an audio or film recording, that is fine. The deadline for this information is 4th March 2024.
3. During the week of the 11th March, you will be invited to visit the Space2 office at the Old Fire Station in Gipton. This will give you the chance to see where some of the magic happens. You will also meet 2 of the co-directors and 1 of the co-chairs. This will give you the chance to find out more about the organisation and for us to find out more about you.
4. You will be invited to observe a Board meeting. Our next one will take place on the 28th March between 5pm – 7pm. The Board meeting is a good opportunity to learn more about the logistics behind Space2. It's always interesting, with lots to think about and discuss.
5. If you are still interested (and we hope you will be), then you would be formally signed up as a Space2 Board member.
